FLYBRIDGE

- Four spacious cabins with private stairway to owner's stateroom
- Separate accommodation for two crew
- Aft galley configuration for flexible entertaining
- Hydraulic bathing platform for tender launch and recovery
- Optional hardtop and crane enabling flybridge tender stowage
- Private foredeck and transom seating – a first for a yacht of this size

Surrounded by
sun, sea – and light.

The 68, our latest and most advanced flybridge yacht, includes four separate on-deck social areas, while the galley aft layout expands on a new concept for Princess with triple sliding doors and an electrically opening aft window converting the galley into a cockpit bar.

We have used all of our design and engineering knowledge to allow for the inclusion of more glass. The result is spectacular – breathtaking views everywhere you look. This incredible feel is continued in the full-beam stateroom, accessed from its own private stairway leading from the saloon.
